

LESSON 6 – OCTOBER 21st

Remember & Celebrate

Review Time!

Over the last several weeks, we've been learning about all different Bible characters who had to trust God in some strange and scary circumstances. This week, we want to pause and reflect on what WE have learned over the past several weeks. If you are new to watching the Family Services, that's ok! We still want you to take time to reflect on how God has been working in your life this month.

WORSHIP

Whether you want to sit, stand, kneel or dance around, we hope you'll enjoy this time of worshipping our amazing creator together!

This Week's Worship Songs:

Only Want to Sing
Hillsong

BIBLE STORY

This week's lesson looks at Moses and how God chose him to help lead the Israelites.

DIG DEEPER:

As a family, take some time to dig deeper and think about what you learned today:

1. Take turns participating in the Weekly Challenge. Have each person take a turn being blindfolded (using the bandana provided in your Family Church Bag). Then, help guide that person through an activity or obstacle course while blindfolded.

Why is doing something blindfolded hard? Is it hard to trust God when we can't always see what He has planned?

2. What can we learn from the mistakes that the Israelites made in our story?
3. As a family, memorize Psalm 31:14 together:

"But I trust in you, Lord; I say, "You are my God."

Because God is who He says He is, He is worthy of our trust! When you struggle with trusting Him this week, remember and say this verse!

WORSHIP RESPONSE

What is Worship Response?

Worship Response is an opportunity to connect with God and listen to Him. Whether it's a time of quiet reflection or a physical response, this is a time to reflect on the lesson and how it applies in your own life.

This Week's Worship Response:

Wow! We sure have been learning a lot of the past several weeks. And hopefully you're starting to feel more comfortable with the Worship Response time as you pause and reflect on what God is trying to teach you or say to you each week.

This week, we are reviewing all of the lessons we've learned so far. As you reflect, Miss Jessie will be leading you through a time of Worship Response after each character.

Use the journal and pencil provided in your Family Church Bag to participate in the Worship Response.
