Medication:

ALL medications will need to be checked in with the medical staff at check-in on Friday. The only exception to this rule would be motion sickness medication for the bus ride up.

We ask that you **do not pack vitamins or unnecessary medications** for the weekend to help minimize how much the medical staff has to keep track of. **Please bring all medications in their original container in a Ziploc bag with your student's name on it.**

The medical staff will have regular over the counter medications (pain relief, allergy, cold medicine, etc.), so please do not pack those. **If you would like to speak with the medical staff prior to camp, please email Ella Bracht at ella.bracht@woodmenvalley.org**

Parent Updates - Text Messages & Social Media:
