

Lesson 5

4s-K

THE STORY OF JOB

October 3 & 4
**GOD IS
IN CONTROL**

LESSON GOAL:

Background: Job was a man who loved and obeyed God, but he experienced great suffering when he lost his family, possessions, and health. Even in his pain, Job continued to trust and worship God, though he struggled to understand why he was suffering. God reminded Job that He is powerful, wise, and in control of all things, and He restored Job's blessings and showed His faithfulness.

Lesson Goal: For kids to understand that sometimes life might seem hard and we don't always understand what's happening, but we can trust that God is still working in our lives and He is in control.

Full Story: Job 1

Key Passage: Job 1:20

KEY VERSE:

"The Lord himself will go ahead of you. He will be with you. He will never leave you. He'll never desert you. So don't be afraid. Don't lose hope."

Deuteronomy 31:8, NIRV

MISSION FOCUS:

FOCUS: City Serve

WHAT IS CITY SERVE?

City Serve is a special day when people all over our city work together to help others! We serve at schools, parks, neighborhoods and local organizations by cleaning, fixing, helping and caring for our community. It's a great way to show God's love by serving others!

LET'S CELEBRATE!

City Serve happened this weekend and some kids even got a chance to serve and be part of this special day.

If they weren't able to serve at a project, some served by praying for these projects and the people serving and being impacted.

CHECK-IN

The goal of check-in is to greet parents/guardians and children by name and help them feel known and welcome.

SAY:

I'm so glad to see you today, **(insert child/parent name)**! You can play with the classroom activities until we begin Explore time.

6:10-6:25pm
9:10-9:25am
11:10-11:25am

EXPLORE

The goal of Explore is to help kids connect relationally and think about the Bible story. It should be completed in small groups of 5-7 kids per one Ministry Partner.

DISCUSS: God is in Control!

Help kids connect relationally and to the daily lesson by participating in the Bag of Wonder activity together.

Bag of Wonder: Crown

SAY:

We are going to take turns passing around this Bag of Wonder! It has something inside that helps us think about our lesson today. You can hold it, smell it, shake it, touch it...but no peeking inside! What do you think it could be? You each get 1 guess!

DO:

Pass the Bag of Wonder around until each child has had a turn holding it and guessing what's in the bag. Offer hints to help the kids guess the item.

SAY:

I *wonder* why this item is in our Bag of Wonder today! Our lesson is about how **God is in Control**. This true story comes from the Bible in **Job 1:20!** (*Open your Bible to show the kids the verse is in the Bible then read the explanation below*).

CONNECTION: Why do you think we have a crown?! Hmmm...who might wear a crown? **Let kids respond.** You're right, a king or queen! A king is in charge of a kingdom. He is in control of the land and the people. God is the greatest king of all! He is in control of everything. In our story today, Job experienced some really hard things and he didn't always understand what was going on. But he still trusted God because God is always in control.

CONNECT: Why Does It Matter?

Introduce the Big 3 questions and answers to give kids a preview of the key ideas they should watch and listen for during the Bible lesson.

SAY:

Listen closely as I share the BIG 3 questions AND answers for today's lesson! Then, let's all look for those answers in our Bible time!

1

ASK: Who is our story about today?

ANSWER: God, Job and us.

2

ASK: What is the problem?

ANSWER: Job lost everything! He lost his family, his health and everything he owned.

3

ASK: What will God do?

ANSWER: God reminded Job he is more powerful and more important than all of the things Job lost. He showed him he is in control and restored Job's blessings!

MAKE: God is in Control Craft!

Help kids think about the lesson further and have fun by doing this activity!

Supplies: World cut out, hand cut out, glue sticks/tape, coloring utensils

SAY:

Job didn't understand why hard things were happening, but he learned that God was still in control! Our craft is a set of hands holding the world. These hands represent the way God holds everything together and He is in control. Even when things are hard, we can trust Him because God is in control!

DO:

- Pass out materials to each child
- Have kids color the world and hands
- Help kids glue the hands around the world
- As kids work, remind them that God is in control and we can trust Him!

CLEAN UP: Transition to Large Group

Ask kids to clean up the activity or save it to finish for the end of class. Then, ask kids to line up and/or transition to Large Group.

Craft Example

6:25-6:50pm
9:25-9:50am

OPENING LARGE GROUP SCRIPT

INTRODUCTION

Welcome! We're so glad you're here today! Does anyone know our God statement for today? (*allow kids to respond*) **God Statement!** I'm so excited to dig into that with you but before we do, let's cover our 4 B's of how we're expected to participate during Large Group!

4 BEHAVIORS OF LARGE GROUP

- **Be Ready** – Eyes watching and ears listening.
- **Be Respectful** – Listen when others are talking and follow directions.
- **Be Safe** – Keep your hands, feet and body in your own space.
- **Be Involved** – Sing, answer, move and join in!

KEY VERSE - Deuteronomy 31:8

Let's recite our Key Verse together! When we memorize the Bible, we put God's truth in our hearts and minds to help us remember what is true and who God is. Let's practice together! *Play the Key Verse video or show the verse slide.*

MISSION FOCUS - ACTS LOCAL PARTNERS (woodmenvalley.org/acts)

Now that we're all sitting and ready to listen, let's look at our mission focus for today. Our focus for this month is a way to **SERVE THE CITY**.

We've been learning about **Woodmen's ACTS Ministry** and a special project called **City Serve!** City Serve happened this weekend and some of you even got a chance to serve and be part of this special day. Raise your hand if you were able to serve and maybe a few people can share what they did at their project! *Allow kids to respond.*

If you weren't able to serve at a project, did anyone partner by praying for these projects and the people serving and being impacted? *Allow kids to respond.*

We're so proud of each of you and the way you've been serving. Let's pray and thank God for the ways he's using all of us to love those around us!

PRAY (for the mission focus and upcoming lesson)

Let's bow our heads, close our eyes and show respect to God while we pray!

WORSHIP

Let's move into a time of worship. This is a chance for us to praise God and say "thank you!" for everything He does for us. You can worship in a way that helps you focus on God best. You can stand, sit, kneel, raise your hands or participate in the motions. *Play worship songs.*

SONGS: Every Move I Make, The B-I-B-L-E, Jesus Loves Me

LESSON VIDEO

Please take a seat quietly so we can watch our lesson video together. As you watch, see if you can find the answers to our big 3 questions! Who is the story about? What is the problem or what happens? And what does God do? Let's watch together! *Play lesson video.*

WORSHIP RESPONSE SCRIPT

PREPARE AHEAD

Before Large Group, prepare all Worship Response materials and ask Ministry Partners to help lead and support the activity.

SUPPLIES: emotion cards (hung on WR stations around room ahead); writing utensils, Battle Belongs

REFLECT: God is in Control!

Let's get our hearts and bodies ready for Worship Response. Start by taking three deep breaths (*take 3 breaths together*). Now let's relax our bodies and find a comfortable position to be still and focus on God - one that won't distract others.

REVIEW LESSON & GOD STATEMENT

Job walked through some really hard things and lost nearly everything - ***his animals, his money, his home, his servants, his family and even his health***. Yet, God showed Job He was with him in his pain. Job trusted God was in control even though he didn't always understand what was happening. Today, we're going to take some time to think about ***hard things in our own lives and how God responds to us***.

EXPLAIN WORSHIP RESPONSE ACTIVITY

- There are cards around the room that represent different emotions
- Pick a card with an emotion you have felt recently
 - Maybe you felt sad because someone you love is sick
 - Maybe you felt scared because you just moved recently
 - Maybe you felt angry because something didn't go your way
- After you pick a card, place it at the foot (bottom) of the cross
 - Even when you feel heavy or hard things, you can trust that God is in control
 - It doesn't mean things will always be easy or the way you want but you can trust that God loves you more than anything!
- When you're finished, walk quietly back to your seat
- You can pray and talk to God, you can listen to the song playing in the background or you can simply sit and be still
- As you participate, please remember to be quiet and participate on your own

DISMISS KIDS TO PARTICIPATE & PLAY SONG

Play the song in the Powerpoint as kids participate. If the song ends before all kids are done participating, play it again.

PRAY OVER THE KIDS

After all kids have had a chance to participate, close Worship Response by simply praying over them. No transition or introduction is needed—just begin the prayer.

CLOSING LARGE GROUP SCRIPT

OFFERING

One more way we can respond to and worship God is by giving offering. Offering is an opportunity every week to give some of our money to God as a way to say “Thank you, God!” for all He has done for us. Remember, you never *have* to give offering. Giving offering is something you *choose* to do with a thankful heart! God gives to us...so we give back to Him! If you have offering today, you can place it in the offering bin before you leave.

God gives to us...

We give back to God!

BLESSING

Before we go, I want to speak a blessing over you so can you please stand up? A blessing sends us into our week with God’s truth in our hearts, reminding us of who He is and that He is with us wherever we go. If you’d like, hold out your hands with your palms up as a way of showing that you are ready to receive these words and God’s truth. Listen closely as I speak this blessing over you.

May you believe that God is in control! May you worship Him even in the good and bad!

TRANSITION

After the blessing, dismiss kids to return quietly to their classroom (if applicable) and transition to Respond.

We learned a lot together today! Now we’re going to head back to Small Group to unpack what we learned and talk about what it means for our lives. This is a great time to ask questions, share your thoughts and see if you caught the answers to our Big 3 Questions from the lesson!

6:50-7:10pm
9:50-10:10am
11:50am-12:10pm

RESPOND

The goal of Respond is for kids to think about the lesson and how it applies to them. It should be completed in **small groups of 5-7 kids per one Ministry Partner**.

REFLECT: Big 3 & Application

Help kids process what they learned in the lesson by answering the Big 3 questions you asked at the beginning of class.

SAY:

Let's talk about what we learned today! Find a spot to sit quietly and get in a comfortable position that's not distracting to others. Let's start by looking at the **BIG 3** questions we talked about at the beginning of class. Did anyone find the answers?

1

ASK: Who was our story about today?

KIDS RESPOND: God, Job and us.

2

ASK: What was the problem?

KIDS RESPOND: Job lost everything! He lost his family, his health and everything he owned.

3

ASK: What did God do?

KIDS RESPOND: God reminded Job he is more powerful and more important than all of the things Job lost. He showed him he is in control and restored Job's blessings!

Now let's talk about how this could **APPLY** to our own lives. Depending on what God is teaching us, our answers might be different. But I would love to hear your thoughts!

ASK: Why does this matter to me?

Example: Even when life feels hard or I don't understand what's happening, I can trust that God is still in control and working for my good.

ASK: How can I apply this to my own life?

Example: When I feel sad, worried, or frustrated, I can pray and ask God for help; I can thank God for being with me; I can trust Him even when things don't go the way I hoped.

PRAY: Connect Relationally

Help kids understand the power of praying together.

SAY:

Does anyone have a prayer request they'd like to share? You can also share with a leader privately, if you don't want to share aloud. It can feel a little scary to pray together, but God loves to hear our prayers! We don't have to say anything fancy - we can just talk to Him!

DO:

Invite kids to pray for each other, then have a leader close in prayer. You can also use your prayer journal to write down and reflect on prayers from your group each week.

If time
allows

OPTIONAL RESPOND ACTIVITY

The goal of the OPTIONAL Respond Activity is for kids to engage in a game that helps reinforce the lesson for the day.

ACTIVITY: Keep it up!

If you have extra time at the end of your lesson and small group time, the students can participate in this activity that reinforces the daily lesson.

Supplies: Small beach balls (3-4 per class)

SAY:

Let's see if we can keep our beach ball in the air! You need to work together to keep the beach ball from touching the ground, but listen carefully because I might change how you can hit it!

DO:

Spread kids out and toss a beach ball into the air. Have everyone work together to keep the beach balls from touching the ground. As they play, call out different challenges. Add more beach balls throughout the game to make it harder! Play as long as time allows.

- ONE HAND! — Only use one hand.
- ELBOWS! — Only hit the beachball with your elbows.
- HEADS! — Try to bump the beachball with your head.
- SIT DOWN! — Keep the beachball up while sitting.
- MORE BEACHBALLS! — Toss a few more beachballs into the game.

After the game, ask: Did that ever feel a little out of control? Job had lots of things happen that felt out of his control too. Even when Job didn't understand what was happening, God was still in control. When things feel out of control for us, we might not understand it all. But we can trust that God is in control!

As parents
arrive after
service

CHECK-OUT

The goal of check-out is to re-connect kids with their parent and communicate any upcoming events or announcements as families leave.

DO:

Encourage kids to finish their activities or play classroom games until their parent comes to pick them up.

As kids get picked up, mention any announcements while handing their parent the announcement card.
