### MAKE: God Cares for Me Keychain

*Help enforce the lesson in a tangible way by helping create this meaningful craft*

#### SUPPLIES:

- Acrylic keychain
- "God Cares" card
- Instant-print camera

#### DIRECTIONS:

Take a picture of each child in your class using the instant-print camera provided - make sure to take the picture vertical (portrait) and take it a little further away so you have room to cut it out. The pictures will print instantly as you take them.

As you take the picture, say "God cares for you (name)!" Once you've taken pictures of all the children, cut the photo to the same size as the "God Cares" card and place in the acrylic keychain. Attach the hook to the keychain and attach the keychain to the child's diaper bag or set it aside to give the parents at the end of service.

#### SAY:

"God cares for you! He's always near, so feel His love and have no fear."

### ACTIVITY:

#### Heart Hug

#### DIRECTIONS:

Sit on the floor with one child or a group of children. Hold the plush heart for the child to explore. Help the child give the heart a hug while you say, "God loves you!"
